

Secluded Sanctuary

Cocooned within the abundance of nature, the Best Western Vedic Village Spa Resort, Kolkata has all the ingredients of a perfect holiday.

INDULGE FACTOR

The Spa offers a host of health, wellness and fitness therapies to choose from. However Abhyangam is one therapy that one shouldn't miss out on. The treatment includes a unique Ayurveda session that spans from head to toe where an expert therapist from Kerala massages your body with warm herbal oils. A soft instrumental Vedic chant in the background accompanies the session which is wrapped up by a special herbal scrub that exfoliates the skin.
